WINE LIST

Our name—a blend of the French word Très ("very") and Ind (Indian)—signifies a unique fusion. Our wine program, too, is a bridge between worlds: a curated journey designed to elevate our award-winning modernist Indian cuisine.

Here, dining is a theatrical experience, where the boundaries of traditional Indian cuisine are reimagined through a modernist lens. Our culinary narrative is a celebration of vibrant spices, innovative techniques, and rich cultural heritage.

The accompanying list of wines and spirits has been thoughtfully curated to complement this unique experience. We invite you to explore a world-class selection that bridges the gap between classic global vineyards and the bold, complex flavors presented in our kitchen.

Our sommelier team is at your service to guide your journey. Whether you are seeking a crisp Champagne to cut through the spice or a robust red to harmonize with a rich curry, we are dedicated to finding the perfect expression for your palate.

Savor the moment, discover the unexpected, and allow us to host you in the true spirit of Indian hospitality.

Fine Wines of the World

2010 Chateau Margaux, 1èr Grand Cru Classé, Bordeaux, France — **25440**
Since the 17th Century, the first wine of Château Margaux has been recognized as being one of the greatest wines in the entire world. It's a remarkable wine that combines characteristics rarely found: finesse, elegance, complexity, density, intensity, length, and freshness.

1995 Chateau Haut-brion, 1èr Grand Cru Classé, Bordeaux, France — **15225**
In 1521, Château Haut-Brion became the first Bordeaux vineyard to be named after its terroir, making the estate the world's first luxury wine brand. This led Haut-Brion to earn the rare distinction of Premier Grand Cru Classé (Classified First Growth).

2015 Chambertin Grand Cru, Domaine Perrot-Minot, Burgundy, France — **12225**
The overall vineyard area of Chambertin Grand Cru is approximately 13 hectares. In style, it is probably the most powerful of them. This is a rich and deep Chambertin with incredible length and complexity. This is a masterful Chambertin which reflects the site but also the craft of this great winemaker.

2018 Opus One, USA — **9150**
The essence of time is expressed in Opus One by the character of each vintage. Place, often defined as terroir, represents the geography, the climate and the essential human element which is captured in the wine's balance between power and finesse, structure and texture.

2018 Batard-Montrachet Grand Cru, Domaine Henri Boillot, Burgundy, France — **8895**
A true expression of Grand Cru Burgundy, this powerful and elegant Chardonnay offers a full-bodied, rich experience balanced by lively acidity and a saline, mineral finish. Intense aromas of mandarin peel, white flowers, and toasted hazelnuts lead to an ample and concentrated palate, featuring seamless orchard fruit and brioche flavors. This exceptional wine hails from the renowned Domaine Henri Boillot, a respected family estate in Meursault known for meticulous, minimal-intervention viticulture that highlights the unique Grand Cru terroir with purity and precision.

2020 Sassicaia, Super Tuscan, Bolgheri, Italy — **7930**
Sassicaia is a legendary, complex Super Tuscan red wine from Tuscany, Italy, made primarily from Cabernet Sauvignon and Cabernet Franc. It presents an elegant structure with rich aromas and flavors of dark fruits, such as blackcurrant and cherry, complemented by notes of cedar, espresso, and spice. With firm, yet silky tannins and a long, harmonious finish.

2009 Dom Perignon Rose, Champagne, France — **8345**
A bold, vintage-only tribute to Pinot Noir, aged for over a decade in the cellars to achieve a unique tension between youth and maturity. This "gastronomic" champagne offers a deep, radiant hue with copper reflections and a rich bouquet of wild strawberries, raspberries, and blood orange, underscored by notes of cocoa, gingerbread, and smoky minerals. On the palate, it is full-bodied and enveloping with a structured, silky texture and a persistent, spicy finish
